

Liverpool Yacht Club Tranmere Sailing Club

Amendments

Brass Monkey 6, 10th Feb

Amendment 2019_02, dated 8th Feb 2019

Assuming the weather conditions permit the club intends to schedule 2 races on Sunday. BM2 is rescheduled for this Sunday. The RO will announce on the day if in their opinion two races can be held, if not BM2 may be rescheduled.

The RO has observed...

"It is imperative that we give ourselves as much time in the water as possible, to complete these races.

For that reason I am asking for the 1st lock to be filled with venture boats and IRC2 boats first. If IRC 1 could fill in after and if the boats with deeper draft being last.

I will start class 1 and venture 1st unless it is possible to get all boats out in the 1st lock.

First race start will be the normal start line.

The second race will start either at g3 or g5"

Please note the RO's instructions on filling the lock, timing of races and the start & finish lines
