

Liverpool Yacht Club Tranmere Sailing Club

Amendments

Long Series 4, Holyhead to Bar Light

2017-06, dated 01 June

The Sailing Committee has decided to postpone this race due to the timings of the tides being insufficient to guarantee completion before dusk. This would re classify the race to WS OSR Cat 3, which would require competitors to have a liferaft. It would also mean some competitors staying afloat overnight after finishing racing till first lock. It was felt that competitors were not given adequate time to prepare the boat for this race.

Given that calendar is already fairly packed it is unlikely that this race will be rescheduled, however we will try and find a slot.

Matt Heald

LYC Race Captain
