

Liverpool Yacht Club

bringing sailing into the heart of the city.

Welcome to the first edition of the LYC Newsletter., I hope this will be the first of many and you find it full of interesting information from your club. Of course, this is your newsletter, so please do send on your stories, information and feedback.

COMMODORE'S CORNER

Each newsletter edition will include a message from the Commodore. Jeff has been away visiting his family in the USA. And I hope you will all join him for the Commodores' Cup on the 3rd September.

Have you seen our new look website?

lyc.org.uk is in the final stages of new updates. Its new clean looking pages are full of club information.

There is a new members forum where topics can be discussed. Skippers looking for crew can seek out members looking to sail or race.

If you haven't received your login and password contact Beverley and Gaynor Portlock.

House Events

Rear Commodore—Karen Hale

The House Committee have been working hard to bring together social events for our members over the summer.

Would you like to Salsa the night away at Tranmere?
Go Karting or Go Ape?
Let the team know!

Some of the events taking place include the End of Summer Ball. This is a fundraising raising event for the RNLI. Our very own Mike Elwell will be providing entertainment with his band The Last Resort. There will be members from the RNLI and some of our Kindred clubs present. Tick-

ets are £15, includes a buffet, DJ, late bar and the Dispensary Cocktail Bar.

There is also the Dining Club this month at the Bierkeller. Where shall we go next, Italian? And buffets will be laid on for after the Commodores Cup and Ladies race.
