Postponement of “Spring Series at Low Water”

2017-04, 21st April 2017

The sailing committee has been informed that we do not have sufficient people to do race control for a low water race mini series. In consequence the “Spring Series at Low Water” has been postponed. It is unlikely this will be rescheduled.

In its place we are proposing to hold a long race at the same start time 10:15 UTC, Sunday 23rd April.

The first lock in will be around 18:50 UTC

Entry for all classes using the same start time

Course is:-

Start, on the usual start line, heading Northerly, Dukes (P), Egg(S), Brazil (P), LYC Channel Course, Bar(S), Q1(P) , LYC Channel Course, finish.

There may not be someone to record your finish so all boats entering will have to self certify their time of finish using a known good time reference such as a GPS clock or radio controlled clock, sign the declaration

Competitors should note the planned start time is near the end of the estimated last lock in the morning of 10:30 UTC and plan accordingly.

Race Declaration

Yacht Name:

Owner's Name:

Race Number:

Race Destination:

Race Date:

Race Start Time:

I declare that I was on board and in charge of the above yacht during the LYC Race just completed and that during that time the Sailing Instructions were obeyed and that our time of arrival was as stated below.

Finishing Time:

Date:

Yacht Ahead:

Yacht Astern:

Remarks

Skipper's

Signature:

Print Name:

No. of persons on board:

Witness Signature:

Position in Crew:

Please complete this form and either hand it in to race control or email or post within forty-eight hours of the last yacht to finish to:- racing@lyc.org.uk
